

Product discontinuation

PD-2022-014

Publication date: December 20, 2022

Streamlining of the product range 2022

Dear Ladies and Gentlemen,

Due to various optimizations of our large product portfolio, we are unfortunately forced to part with some of our articles and discontinue them. If the availability of the raw materials and supplies allows it, we grant you the possibility to order them one last time.

Please refer to the attached list to see which items will no longer be part of our portfolio in the future. **You now have the opportunity to place your last order until Friday 28 April 2023.**

However, a few items can no longer be produced due to raw material availability and will therefore be discontinued with immediate effect. Unfortunately, it is no longer possible to place a new order here.

If you have any questions or requests, please contact the known RAFI contact person.

Please also forward this important information to other responsible departments in your company.

We thank you for the trust you have placed in our products and us and look forward to continuing our cooperation with you.

Kind regards

Product Management

The information in this sheet only contains general descriptions and / or performance features, which may not apply precisely as described to the respective application, and which may change due to further product enhancements. The technical data, illustrations and other information about our products are the mere results of individual technical testing. These descriptions and other product features are only binding if they expressly agreed upon at the time of the conclusion of a binding contract. In all other cases, we reserve the right to make technical changes as well as changes of availability. Pictures and other graphic illustrations are approximations only. All product names may be trademarks or brand names of the RAFI Group or any other sub-supplier of RAFI. The use of such by any third parties for their own purposes may infringe the rights of the respective entity holding those rights. Subject to change and errors excepted. Details about delivery times and availability are noncommittal and have no legal force.
