<b>Title:</b>	<b>Obsolescence of old parts with no sales during the last 3 years - External</b>	

## Details of product termination

<b>1. Concerned part number (see also attachment):</b>
See list of concerned partnumbers
<b>2. Reason for termination:</b>
<p>Also in 2021 HARTING made a review of all existing partnumbers and found a lot of partnumbers which have not been produced during the last 3 years. Some of the partnumbers have never been produced. They have been set-up on customer request. The purchasing prices and manufacturing costs have not been updated since years and do not fit any more. Especially for low volume it is not possible to keep such specific connectors alive in the system under economically beneficial conditions. As a consequence the listed parts have been made obsolete.</p>
<b>3. Possible replacement products</b>
Please ask the local HARTING subsidiary for support to define a possible replacement
<b>4. Scheduled date of:</b>
Obsolete from 2021-10-01
