

CERTIFICATE OF PFOS AND PFOA FREE MANUFACTURING

NKK Switches understands the importance of the EU restrictions on the use PFOS [Perfluorooctane sulfonate and its salts] and Perfluorooctanoic acid (PFOA) chemicals in Electronic Components.

As of the date set below NKK Switches of America, Inc. certifies that Perfluorooctanesulfonic acid (PFOS) and Perfluorooctanoic acid (PFOA) chemicals are not used in the manufacturing of our products or packaging now or in the past.

I certify that I am authorized to execute this Certificate on behalf of NKK Switches of America, Inc. and that the information contained herein is true and correct to the best of my knowledge, information, and belief.
