**Change Notification #:** 119728-00

**Change Title:** Select Intel® Silicon Photonics Optical Transceivers, PCN 119728-00, Product Discontinuance, Product Transition from Intel to Third-Party Supplier

**Date of Publication:** October 27, 2023

## Key Characteristics of the Change:

Product Discontinuance

## Forecasted Key Milestones:

<b>Last Product Discontinuance Order Date:</b>	December 08, 2023
<b>Last Product Discontinuance Shipment Date:</b>	April 27, 2024

## Description of Change to the Customer:

The Intel® product SKUs listed in the "Affected Products" table will no longer be available for additional orders from Intel after the "Last Intel Product Order Date" (see "Key Milestones" below). After the "Last Intel Product Order Date", these products will be available for ordering from a third-party supplier (Jabil) as noted for that product code in the table below.

## Customer Impact of Change and Recommended Action:

For products that will no longer be available for purchase from Intel but will be available for purchase from Jabil (the third-party supplier) (see "Affected Products" table below for those products marked "Transitioned to Third-Party Supplier"):

- Please determine the remaining product demand for purchase from Intel and place your "Last Intel Product Order" with Intel by the "Last Intel Product Order Date" shown above. Per Intel Standard Terms, effective immediately, all orders placed for Affected Products will be non-cancellable and non-refundable (NCNR), and no rescheduling of confirmed delivery dates will be permitted without Intel approval.
- Additional demand for these products can be filled by purchasing them from Jabil; in this case, please contact Jabil using the contact information below, or contact your Intel representative to help connect you to Jabil.

Please see your local Intel representative (see "Contact Information" section below) with any questions or concerns regarding the change communicated in this customer notification.
