Declaration according to the regulation EC 1907/2006 (REACH)

Dear Ladies and Gentlemen,

all the materials and components used by STEINEL are selected very carefully and evaluated by our development department. We have a high global standard for human health and environmental awareness. STEINEL is therefore certified in compliance to the quality management standard ISO 9001 and the environment management standard ISO 14001.

We herewith declare, that our products and their accessories, including its packaging, are in full compliance with the EC-Directive 1907/2006 concerning the **Registration, Evaluation, Authorization (and Restriction) of Chemicals** (also known as "**REACH**") and that we do not use any toxic or harmful substances.

With kind regards
STEINEL GmbH
