The following Phoenix Contact products have been modified. Existing specifications will be met or exceeded. Please review and acknowledge this document and inform your personnel as needed.

Description for Product Change Notification

"As part of the continuous improvement process and to promote sustainability, the packaging of the VIP PT and VIP Screw modules containing 10 or less slices will be changed from a box/dunnage configuration to an autobag. A drop test was performed with a a basic function test and a mechanical visual inspection completed after the test.

Conclusion: Passed

Change will be a running change as inventory is depleted of boxed product and production transitions to bag."
