

05 April 2021

Dear Valued Customer,

Vesper Technologies Inc is committed to provide our customers with the highest level of product quality and service. As such, we are notifying you of a minor change to the VM2020 part brand.

Vesper is updating the VM2020 microphone package brand name from VP2020 to VM2020 to remain consistent with current Vesper branding practice. There will be no change in form, fit, function, quality or reliability of the product. This change is to help standardize manufacturing practices for Vesper Microphones. Details of this improvement can be found in Appendix A.

Please contact Vesper within 30 days of this notification with any questions or requests regarding this change. The first standard shipments with this change are planned for March 2021.

With best regards,

**David Woodilla**

Director of Quality
