

MOQ CHANGE NOTICE

16 January 2023

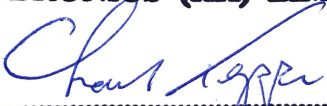

Dear Customer,

We are sorry to inform you that our suppliers have increased the Minimum Order Quantity (MOQ) for certain raw materials that are required to manufacture the part(s) listed below. As a result, effective immediately, we are forced to increase our MOQ. Any OPEN PO's will not be able to be filled unless revised for the new MOQ below.

<u>Part #</u>	<u>Old MOQ</u>	<u>New MOQ</u>	<u>Replacement Available</u>
VLV200634A	2K	100K	No

Regards,

For and on behalf of
