This Certificate of Compliance certifies that, to the best of our current knowledge under normal usage, Mallory Sonalert Products, Inc. products comply with California Proposition 65. Although some of our products contain small amounts of lead (Pb) and Nickel (Ni), there is no exposure route such as contact via ingestion, inhalation, absorption, or any other body surface contact. Therefore, a warning label that our products contain chemicals that may cause cancer, birth defects, or reproductive harm is not required.

Note that during destructive decomposition, our products may contain and release trace amounts of lead (Pb) and Nickel (Ni). To reduce risk of exposure, work with approved safety equipment in a well ventilated area, wear dust masks that are specifically designed to filter out microscopic particles, wear protective gloves, and wash hands after handling.
