

Product Near-End-of-Life Notification

MultiTech Radio Bridge LoRaWAN® Wireless IoT Sensors for Indoor Use

Replacement Models are Available

Date: May 8, 2024

Product Near-End-of-Life Notification: PNEOL 05082024-001

I. Summary

The ordering part numbers listed in this notification are changing status from Active to Near-End-of-Life (NEOL) effective immediately.

Replacement models are available.

MultiTech has introduced a new set of ordering part numbers for the indoor sensor family that provide performance enhancements focused on battery life and sensing technology, particularly in water detection. Additionally, we've upgraded the product label to facilitate easier management on your cloud platform and ensure compliance with recent regulations.

III. Last Time Buy Information

All orders placed for products listed in this announcement require a Non-Cancellable, Non-Returnable (NCNR) agreement. Last time ship dates are negotiable with an NCNR agreement. Please contact your MultiTech sales representative for details and a copy of the agreement.

IV. Suggested Action Plan

To help facilitate the transition, we recommend the following actions be taken:

- Forward this notification to others within your organization who are actively involved in the sale or support of the devices listed in this notification.
- Notify and work with existing customers to migrate them to the new ordering part numbers.

V. Warranty and Support

MultiTech will provide technical support and repair or exchange of the products listed in this notification through the warranty period of the installed device.

VI. Additional Information

If there are questions or if additional information is required regarding this Product Near-End-of-Life Notification, please contact your MultiTech sales representative or visit the technical resources listed below:
