

## **Honeywell Announces Obsolescence and Last-Time Buy Opportunity for Circuit Protectors, Relays and Relay Sockets**

Dear Valued Partners,

At Honeywell we constantly evaluate and update our product line to meet evolving customer needs around the globe. In some cases, this means discontinuing an offering and focusing our efforts on others to strive to provide an enhanced customer / user experience.

Following this, Honeywell is announcing an opportunity to place a last-time buy order in relation to Circuit Protectors, Relays and Relay Sockets product lines. This notification will allow you to request part numbers in the table of the appendix that are being discontinued (subject to acceptance by Honeywell) within the timelines set out below.

It is recommended that orders be placed promptly to improve the likelihood of fulfillment. The placed orders are subjected to no cancellation and no return.

### **AFFECTED PART NUMBERS**

This announcement serves as the formal communication that the SKUs listed in the appendix will no longer be available for sale in accordance with the Timeline of Events shown below (provided that these dates are subject to change based on product availability and other considerations as determined by Honeywell).

### **TIMELINE OF EVENTS**

The following timeline pertains to all affected SKUs. These dates are subject to change based on availability.

<b>Action</b>	<b>Description</b>	<b>Date</b>
Last Time Buy	Deadline for receipt of product orders each of which are subject to acceptance by Honeywell.	November 10 2023
Last Ship Date	Last day in which Honeywell estimates that it will ship available affected SKUs. Once orders are received they will be shipped as they get produced and last order shipments expected on or before the 22nd Dec 2023.	December 22 2023

**WARRANTY/REMEDY**

Subject to the following conditions, Honeywell warrants goods of its manufacture as being free of defective materials and faulty workmanship for the duration of Honeywell's standard product warranty. Honeywell's standard product warranty applies unless agreed to otherwise by Honeywell in writing; please refer to your order acknowledgement or consult your local sales office for specific warranty details. If warranted goods are returned to Honeywell during the period of coverage, Honeywell will repair or replace, at its option, without charge those items that Honeywell, in its sole discretion, finds defective. Honeywell shall engage in commercially reasonable efforts to repair or replace products in accordance with the terms of its standard warranty, but in no event shall it be liable if it is unable to do so due as a result of a product end of life or obsolescence or inability of Honeywell to manufacture or source materials or component parts for a product, for whatever reason. The foregoing is buyer's sole remedy and is in lieu of all other warranties, expressed or implied, including those of merchantability and fitness for a particular purpose. In no event shall Honeywell be liable for any lost profits or any consequential, special, or indirect damages. Honeywell's total liability for any purchase in relation to this letter shall not exceed the price of the Product being purchased.
