

# 2403201503 New Universal Outer Box and 3S Shipping Labels

Bulletin Issue Date: Mar 20, 2024

Effective Date: Mar 20, 2024

## **Description of Change**

Silicon Labs is pleased to announce a new Universal outer box and 3S shipping label. Outer box label contains inner box identifiers, packing quantity, and environmental information; 3S shipping label contains shipping information to delivery note. New labels will replace the current two labels on the outer box: outer box label and 3S shipping label. There is no change to the label size (4 x 6 in). This change does not affect inner box label.

Label samples are attached for reference.

Upon PB effective date, Silicon Labs will be shipping both old and new labels until inventory with old label depletes.

## **Reason for Change**

Label standardization for one universal label on outer box & 3S shipping label

#### **Product Identification**

This change impacts all Silicon Labs products.

#### **Kit Identification**

This change is considered a minor change which does not affect form, fit, function, quality, or reliability. The information is being provided as a customer courtesy.

Please contact your local Silicon Labs sales representative with any questions about this notification. A list of Silicon Labs sales representatives may be found at <u>http://www.silabs.com</u>.

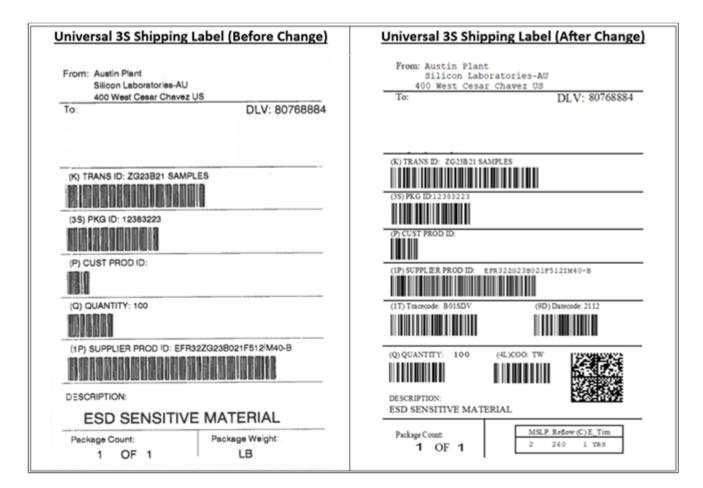

#### **Customer Actions Needed:**

Review PB.
