End-of-Life Notification

Date:

Curtis Industries is committed to providing superior quality products and services to our customers. Technology evolution is an important driver in allowing our customers to establish and maintain competitive advantages, achieve operational efficiencies and provide excellent customer service. We identify product end-of-life (EOL) as part of the evolutionary process that drives new/improved technology and product innovation.

As a crucial part of our ongoing product lifecycle management process, we have identified the following product(s) that will be transitioned to an EOL status. The product(s) listed below have been Obsoleted as of the date of this letter:

Product(s)

Replacement Product(s)

No additional orders for the above parts will be accepted. Please contact the Curtis Industries Sales Department at (414) 649-4200 with any questions you have.

Best regards,

Curtis Industries
