**ROHS CERTIFICATE OF COMPLIANCE
DIRECTIVE (EU) 2015/863
RoHS/RoHS2/RoHS3
Restriction of Hazardous Substances**

Jonard Tools hereby declares and certifies that all products are RoHS compliant according to the definitions and restrictions given for the Directive (EU) 2015/863 by the commission on the restriction of the use of certain hazardous substances in electrical and electronic equipment.

Jonard Tools further states that all products are RoHS compliant according to the latest directive effective August 19, 2020 and published as directive ((EU) 2015/863). This new directive adds 4 Phthalates onto to the original ten hazardous substances (shown below). Jonard Tools further states that there are no ROHS exemptions

This directive provides guidelines to restrict the use of hazardous substances in the material composition of the components within our products. Based on certifications received from our supply sources, Jonard Tools hereby states that the following banned substances are not found above the threshold level listed other than exceptions approved by the European Commission.

- Cadmium (0.01 %)
- Lead (0.1 %)
- Mercury (0.1 %)
- Hexavalent chromium (0.1 %)
- Polybrominated biphenyls (PBB) (0.1 %)
